

PRESS RELEASE

2021 UPDATING OF THE LIST OF ESTABLISHMENT

Date of Release: 20 August 2021
Reference No. 2021- 3132

20 August 2021 – City of Ilagan. The 2021 Updating of the List of Establishments aims to provide an updated and reliable framework for establishment and enterprise-based surveys, as well as an updated list of establishments/enterprises with information on their characteristics, an updated livestock and poultry establishment frame, establishment/enterprises distribution, and information on business births. Canvassing and inquiring from all establishments was done

door to door using an Android tablet.

Despite the delayed enumeration caused by the pandemic, PSA-Isabela successfully completed the 2021 ULE field enumeration. To comply with Department of Health Protocols and for the safety of Statistical Researchers, Chief Statistical Specialist Julius M. Emperador decided to change the enumeration schedule. After one of the hired SRs became infected with COVID 19, several of the SRs

were placed in quarantine. This resulted in a postponement of the procedure, which was scheduled to begin on May 25, 2021. PSA-Isabela requested a modified enumeration deadline based on standard procedures, which was approved by the subject matter division on August 16, 2021.

The total workload for the province was 13,639, covering 657 barangays. A total of 20,852 were uploaded as of the last day of enumeration; these data are currently being processed.

The Provincial Focal Person gave all personnel involved in the operation one day to assess and evaluate the completed field enumeration (PFP). Despite the difficulties, the PFP expressed gratitude to all ULE employees for their contributions to the operation's success.
