- 1/ Executive Order No. 2 (EO 2) is the enabling order for FOI. EO 2 operationalizes in the Executive Branch the People's Constitutional right to information. EO 2 also provides the State policies to full public disclosure and transparency in the public service. EO 2 is an important enabling mechanism to promote transparency in the government's administrative process. Through FOI, citizens are empowered to make a formal request to get information held by the government, barring certain sensitive and important data related to the nation's security. FOI complements continuing proactive information disclosure efforts where agencies are duty-bound to publish information in the spirit of openness and transparency.
- 2/ The Philippines Constitution of 1987 (Article XIII, Section 17) created the Commission on Human Rights (CHR) of the Philippines as an independent office with a mandate to promote the protection, respect for and enhancement of human rights. The role and functions of the Commission are set out in Executive Order No. 163 (1987). In accordance with the Paris Principles and GANHRI statute, the CHR of the Philippines is accredited as fully compliant to the Paris Principles (see http://www.ohchr.org/Documents/Countries/NHRI/Chart_Status_NIs.pdf).
