CSS Julius M. Emperador, and Technical Staff of PSA Isabela, together with representatives from Media and partner agencies during the Press Conference on December 2024 Inflation Report of Isabela.

21 January 2025 – GAMU, ISABELA. The Philippine Statistics Authority (PSA)-Isabela successfully conducted a press conference on the December 2024 Inflation Report last 17 January 2025, at Piazza Zicarelli Hotel, Restaurant, and Bakeshop.

The event highlighted the overall inflation of commodities in Isabela and provided a comprehensive analysis of the province's economic performance. Representatives from various agencies, including the

Department of Trade and Industry (DTI), Department of Labor and Employment (DOLE), Provincial Planning and Development Office, and media partners, actively participated in the discussion.

The press conference featured expert insights into the inflation data, fostering meaningful dialogue among stakeholders and highlighting initiatives aimed at addressing economic challenges. To extend its reach, the event was live-streamed on the official PSA-Isabela Facebook page, enabling the public to stay informed and engaged with the latest developments in the provincial economy.
