18 March 2025 – ALICIA, ISABELA. The Philippine Statistics Authority (PSA) - Isabela Provincial Statistical Office, through its continued partnership with the Department of Social Welfare and Development (DSWD), successfully conducted National ID registration and authentication services for P4Ps beneficiaries of Alicia, Isabela, on 03-07 March 2025.

The activity was aligned with the program's Family Development Session (FDS) to reinforce the registration process. The entire duration of the activity was held in a single venue at the Alicia Community Center, along with other National ID services. This initiative provided an accessible location for registration, even for beneficiaries' children aged 0 to 4 years old.

Last year's authentication records show that the municipality of Alicia completed the authentication procedure for its 4Ps beneficiaries. As part of the verification process, beneficiaries presented their National ID Card Number and underwent biometric authentication using the National ID Authentication Kit to confirm their identity. The result, either "No Match" or "Yes Match," was logged, and the consolidated outcome was submitted to the DSWD 4Ps representative.
