Bagabag, Nueva Vizcaya – The Philippine Statistics Authority (PSA) Nueva Vizcaya Provincial Statistical Office, through its National ID Team, successfully facilitated the registration of 251 senior citizens for the Philippine Identification System (PhilSys) at the Office of the Senior Citizen Association (OSCA) – Bagabag Chapter. This registration drive is part of the agency's ongoing efforts to bring government services closer to the people, especially the elderly, by making National ID registration more accessible.

The registration was conducted on four separate dates with the following number of registrants: April 15, 2025 – 78 senior citizens, April 16, 2025 – 25 senior citizens, April 22, 2025 – 75 senior citizens, and April 23, 2025 – 73 senior citizens.

This effort underscores the government's ongoing commitment to inclusive service delivery, ensuring that all Filipinos, particularly vulnerable groups such as the elderly, have access to basic identity and public services.

PSA Nueva Vizcaya acknowledged the assistance of the Local Government Unit (LGU) Bagabag through the OSCA-Bagabag Chapter, which helped guarantee the activity ran smoothly and efficiently. The group is still dedicated to reaching as many Filipinos as possible, particularly those who might not have easy access to registration locations or mobility.
