The PSA staff enthusiastically and with great spirit participated in the Bambanti Festival's "Run for Youth Center" campaign.

30 January 2024 – City of Ilagan. The Color Fun Run, which supports the establishment of a Provincial Youth Center, is one of the most eagerly awaited events of the Bambanti Festival celebration. By doing this, the youth movement in the province of Isabela will be certain to flourish and grow even more. The "Run for Youth Center" campaign is an appeal to all Isabelenos to unite in the spirit of fellowship and demonstrate that the Bambanti Festival can unite the community behind a common purpose, as youth development is a concern shared by all.

PSA-Isabela once again took part in the annual fun run to support the unifying goal of the Bambanti Festival and to show solidarity with the Provincial Government of Isabela in all of its endeavors. In addition to the excitement of participating in the festival, PSA-Isabela employees signed

up for the run because they think it's one of the best ways to exercise for shedding pounds or upkeep. Furthermore, running is seen by PSA employees as enhancing their physical well-being, boosting their energy levels, and serving as an excellent means of unwinding after demanding workdays.
