The awarding ceremony took place at Pulsar Hotel Premier Suites, Buntun Highway, Tuguegarao City during the conduct of the 2024 Report on the Economic Performance of Region II – Cagayan Valley News Conference held on 22 April. This recognition and awarding demonstrate the PSA's gesture to recognized its active partners for their truthful answers and prompt submissions to the MISSI and PPS activity of the agency as the responses are crucial for generating reliable statistics and indicators that serve as essential inputs in the estimation of the Gross Domestic Product (GDP).

Three exemplary respondents from Isabela Province were identified as award recipients: ACT (Machineries and Metalcraft) Corp., Green Future Innovations, Inc., and Isabela La Suerte Rice Mill Corporation.

The awardees were invited to attend the news conference to personally receive their plaques and tokens of appreciation. To further maintain strong stakeholder engagement, representatives from PSA RSSO II also personally delivered and awarded the plaques to the respective offices of other awardees.

This recognition activity fosters stronger collaboration between PSA and its stakeholders by acknowledging their vital role in the generation of accurate and timely economic data. It reinforces the importance of data quality and encourages continued participation and transparency among partner establishments.
