2023: 29.62

### PAO GALIANG

2024: 36.03  
2023: 25.37

### Farmgate Price

Prices received by farmers for their produce at the location of farm. Thus, the costs of transporting from the farm gate to the nearest market or first point of sale and market charges (if any) for selling the produce are, by definition, not included in the farm gate prices.
